### PROFESSIONAL EXPERIENCE

#### **Queens Health Network Senior Vice President** **2006 –present**

Administrative responsibility for the Queens Health Network of the New York City Health and Hospitals Corporation, composed of Elmhurst and Queens Hospital Centers. The Network includes 806 acute care inpatient beds, extensive primary care and specialty outpatient and community based services, a Level 1 Trauma Center, and comprehensive mental health and chemical dependency services. As an affiliate of the Mount Sinai School of Medicine, the Network has over 40 residency training programs and is a medical student site. The Network is the safety net public system for the 2 million residents of Queens, and serves one of the most ethnically diverse populations in the United States.

Mental Health Services at Elmhurst and Queens Hospitals include 207 adult, child & adolescent and forensic beds; 3 partial hospitalization programs; outpatient clinic services providing over 100,000 visits; Comprehensive Psychiatric Emergency Programs; three ACT Teams; Asian and Hispanic bi-cultural services; intensive child services at Elmhurst Hospital including: inpatient, emergency services, urgent care, Home Based Crisis, Mobile outreach and school based program.

Elmhurst and Queens also have extensive chemical dependency programs including a Methadone program, two chemical dependency clinics, Alcohol Day Rehabilitation program, Alcohol Half-Way House and Harm Reduction Programs.
